**GRANT REQUEST GUIDELINES**  
(2 pages – REV November 2018)

*The purpose of The Opportunity Shop Grant Program is to support outreach projects that serve the social, mental, and physical needs of people and enrich the lives of those in our local communities. Projects should be sustainable, continue to impact others and “keep on giving.” Priority is given to Dubois area organizations, but groups from other areas are assisted if money is available.*

One of the responsibilities of the Opportunity Shop Grant Committee is to disburse outreach funds made available from the proceeds and/or “fund raisers” of the Opportunity Shop in Dubois. The Grant Committee evaluates applications vigorously and makes their selections at scheduled meetings in April and October. The Opportunity Shop Advisory Board must approve all Grant awards. The St. Thomas Vestry is notified of the final approval and funds can then be disbursed. Grant monies will be distributed no later than 60 days following the deadline date of the grant cycle and no earlier than May 1 or November 1 for the respective grant cycles.

**Please read and follow all instructions  
to insure your application is eligible for consideration.**
